

MILPAY E-MESSAGE 06-063

SUBJECT: BAH for RC Members

This message will expire on May 5, 2007.

Reference MILAY E-Message 06-056.

The purpose of this message is to provide further clarification on BAH entitlement for RC members on duty for initial entry training.

HQDA in coordination with PDTATAC and other military services has decided MILPAY E-Message 06-056 should not apply to RC members without dependents on duty for initial entry training. This would include RC members without dependents on duty for AIT or IADT. These members should be treated as they have in the past and only paid Partial BAH when assigned government quarters at their training location. This ruling ensures uniform applicability of BAH rules between reserve component and active component members on duty for initial entry training.

All affected members should have their pay accounts adjusted to reflect this clarifying ruling. However, per HQDA, amounts previously paid prior to the publication date of this message should not be collected.

POC for this message is DFAS-IN.SYSTEMS@DFAS.MIL.
